## Eggs with Surprirse Inclusions

There's nothing better than an Easter Egg for Easter! Or is there? How about an Easter Egg with a surprise inclusion in it? Pack an extra punch with your marketing by including gift certificates / vouchers / notes etc inside your Eggs.

### CASE STUDY

Jetstar commissioned Chocolate Works to produce both Midi and Maxi eggs covered in custom printed Orange foil with a black and white print. Each egg contained a printed note inside and a number had flight vouchers included.

The Eggs were handed out at Melbourne airport by Jetstar staff riding segways with bunny ears on.

It was a fabulous marketing campaign for the airline.

Talk to us about creating a wonderful marketing tool by including items in your Easter Eggs this year.
